

CATEDRAL DE MEXICO

One of the largest and most imposing churches in America stands on the site of the great temple of the Aztecs in Mexico City. Begun in 1573, it took two centuries to build.

Dear Friend

We have been in Mexico City for a week. Having a nice time. The weather is perfect. So much to see we are busy every min.

The Legend of the Sand Dollar

There's a pretty little legend
That I would like to tell
Of the birth and death of Jesus
Found in this lowly shell.

The Christmas poinsettia
Etched on the other side
Reminds us of His birthday,
Our Happy Christmastide.

If you examine closely,
You'll see that you find here
Four nail holes and a fifth one
Made by a Roman's spear.

Now break the center open
And here you will release
The five white doves awaiting
To spread Good Will and Peace.

On one side the Easter lily,
Its center is the star
That appeared unto the shepherds
And led them from afar.

This simple little symbol,
Christ left for you and me
To help us spread His Gospel
Through all eternity.

I LOVE NEW YORK

It's lakes, rivers, snow-capped mountains, overland trails underground caverns, beaches, bridges, seaports, tunnels and endless highways. It's Niagara Falls, The World Trade Center, West Point, the United Nations and the Statue of Liberty. It's restaurants, theaters, museums, fashions, vast cities and quaint villages. It's yesterday's charm, today's tempo, tomorrow's hope. No wonder they call it the Empire State!

Hi Diane,

I loved the card with lips. Thanks for thinking of me. Hope all is well with you. How's school going? Work is busy for me but I am doing well. When does your summer job begin in New York? are you excited? I can imagine you are.

Spring is very slowly coming to the Rockies. I am more than ready for it. Wish I could get to Maine this summer. Take care, I think of you often. Love you. Cathy

I hope the experience turns
